

## DR80 Modular Wire Display

- The new DR80 display is a modular, stacking merchandising system that allows retailers to build and customize their display of Sculpey III® and premo! Sculpey® clay
- Start with the 3-tier base and add single-tier shelves (or another 3-tier base) to increase the height and offerings on the display
- Separate Header Holder is easily attached to the top row of the display
- Replaces the DR16 display
- Gravity feed display

DR80S

## DR80 Display Components

- Mix and Match the DR80 components to customize your own display!
